SNAP-SOC™ RIVET SET CAPS

Finally an inexpensive and effective solution to rivet head damage. No matter how experienced we are, we have all put a "smiley face" on a rivet head or worse yet, the adjoining aircraft skin. The SNAP-SOC™ provides a protective zone between the rivet set and the rivet and permits perfect installation of rivets. Color coded for easy use, the SNAP-SOC™ easily slides over the end of your rivet set and will last for approximately 50-75 rivets. When no longer effective, simply remove and install a new SNAP-SOC™. Sold in packages of 10 only.
